

Notice of Public Hearing City of Silsbee

The City of Silsbee will hold a public hearing on December 19, 2022 at 5:00 at the Silsbee City Hall at 1220 Hwy 327 East, Silsbee, Texas 77656 for the purpose of hearing public comments on the City of Silsbee's Texas Water Development Board (TWDB) Flood Infrastructure Funding (FIF) Category 1 Flood Protection Planning Study. The City has received a grant from FIF program as administered by the TWDB to develop the Flood Protection Planning Study. The purpose of the study is to identify drainage and flooding issues within the City of Silsbee and to propose improvement projects address the major issues. The City has contracted with LJA Engineering, Inc. to develop the study. The team of engineers at LJA are in the preliminary stages of the study and would like any public comments to help identify any known flooding issues/areas within the City. This will help them determine where to best direct the resources during the development of the study. Written comments may also be submitted to DeeAnn Zimmerman, City Manager, at the above address by December 22, 2022.
